

ACCOMMODATION

The closest towns are Wallingford (10 mins)

Or Henley on Thames (15 mins)

And the closest big towns are Reading (25 mins) and Oxford (I think Reading is easier to drive in)

I haven't stayed in all of these hotels so check ratings etc when booking

On site

There is a shepherds hut within walking distance of the studio, details can be found here:

I haven't stayed there but a student has – it's charming

Wallingford

George Hotel – centrally located

<https://www.peelhotels.co.uk/george-hotel/>

Shillingford Bridge – I'm told it's a little worn, but ok

Henley on Thames

Rowbarge – rooms above a pub, very friendly, nice rooms, it's an old building so the stairs are narrow and the floors uneven. Centrally located

<https://www.therowbarge.com/>

Catherine Wheel – centre of Henley. I have stayed here, very comfortable, reasonably priced, but no parking, but there are several town centre car parks close by that are free between 6pm and 8am

Hotel Du Vin – little bit of luxury, limited parking, but centrally located

Goring and Streatley

The Swan – which I can recommend, it has parking and a relaxed restaurant, lovely view over The Thames, BUT make sure there isn't a wedding on!

Reading

Plenty to choose from but these are the closest side of town to Wallingford:

Premier Inn – free parking (I think!), 10 min walk to Caversham and restaurants
